Dimensions

Installation Instruction

Recessed Mounting

Suspended mounting

Step 1: Fix the bracket of the canopy to the ceiling;

Step 2: Put the driver into the canopy and connect the AC input wire, then dimming wire; align the canopy horizontally upwards with the 4 holes of the bracket and screw tightly.

Step 3: Fasten the 4 lifting ropes to the 4 holes at the light fixture and then to the 4 holes at the canopy, latch on; then plug in the male-female connector of the driver and light fixture, installation complete!

Warning:

Make sure all the power is off before installation. All the installations are required to be done by professionals.
